9b. MOTION - NO. M-23-57 - BY: COUNCILMEMBER KING

Brief:

Granting the applicant's request on ZD NO. 98/22, with the following modifications, as indicated with strikethrough text below, to the language of the IZD as proposed in the City Planning Commission Staff report on pages 6 and 7:

Article 19 ? Temporary Prohibitions. 19.4.a.2.i Lower Algiers Rural Protection Interim Zoning District

M-23-57

- A. Intent of the District The intent of the IZD is to temporarily prohibit the development of multi-family residential homes in S-RM1 Multi-Family Zoning Districts, not including Small Multi-Family Affordable Dwellings and commercial development in S-B2 Pedestrian-Oriented Corridor Business District in order to allow for appropriate impact studies regarding drainage, road and utility infrastructure, municipal services for fire, police, emergency response services, and other public safety considerations and an environmental impact analysis. The intent of the IZD is to ZD 098/22 7 utilize these studies to allow for the appropriate development within the district and the adoption of appropriate building design standards to promote the general health, safety, and welfare of the community. Multi

- C. Prohibited Uses The following uses are prohibited:
- a. Multi-family residential dwellings, not including Small Multi-Family Affordable dwellings.
 - b. Commercial Uses.
- D. Appeal Procedure Appeals shall be submitted to the Executive Director of the City Planning Commission, whose staff shall review and make recommendations relative to the appeal within sixty (60) days of receipt, utilizing the following standards and criteria:. Appeal applications must fulfill each of the following five (5) criteria:
1. Is the requested appeal compatible with the surrounding land uses and structures?
 2. Does the requested appeal provide for an efficient use of land?
 3. Will granting the requested appeal increase traffic and safety hazards?
 4. Does the requested appeal provide for an efficient parking layout?
 5. Will the requested appeal increase community environmental impacts?
 6. Does the requested appeal preserve maximum tree canopy?
1. The proposed development complies with regulations and best practices for stormwater management and drainage, and has been designed to minimize any potential impact on the drainage and water pressure of neighboring communities.
 2. The proposed development has undergone a comprehensive traffic study and has included measures to mitigate any potential impact on road usage and traffic flow in the area, including at peak hours.
 3. The proposed development has been designed to minimize any potential impact on existing utility, drainage, and roadway infrastructure in the area, and any necessary upgrades have been accounted for in the plan.
 4. The proposed development has been designed to ensure the availability and accessibility of municipal services such as fire, police, and emergency response services, and any necessary upgrades have been accounted for in the plan.
 5. The proposed development has been designed to minimize any potential impact on wildlife, and natural habitats, and tree canopy, and complies with relevant environmental regulations and best practices.
